11. The Rationale and Benefit of the Scheme:

- The Transferor Company and Transferee Company are engaged in similar nature of business hence, the amalgamation of Chetan Industries Limited ("Transferor Company") with the J T L Infra Limited (Transferee Company) will strengthen the balance sheet of the Transferee Company and shall create a larger and stronger entity, which will have better resources for business growth and expansion. The scheme of arrangement shall provide a running and profitable business to the Transferee Company which has growth potential and shall also provide the shareholders of Transferor Company liquidity through listing and hence there is significant synergy for consolidation of both the entities.
- The independent operations of the Transferor Company and Transferee Company leads to incurrence of significant costs and the amalgamation would enable economies of scale by attaining critical mass and achieving cost saving. The amalgamation will thus eliminate a multi-layered structure and reduce managerial overlaps, which are necessarily involved in running multiple entities and also prevent cost duplication that can erode financial efficiencies of a holding structure and the resultant operations would be substantially cost-efficient. This Scheme would result in simplified corporate structure of the Transferee Company and its businesses, thereby leading to more efficient utilization of capital and creation of a consolidated base for future growth of the Transferee Company.
- The Amalgamation of Transferor Company with Transferee Company shall result in multiple manufacturing facilities under single entity which enables Transferee Company to make production planning in more efficient manner, thereby reducing wastages, improves input-output ratio (yield factor) and shorter lead time.
- The Amalgamation of Transferor Company with Transferee Company will add an advantage of Multi-location production facilities, reduce freight cost, easily availability of finished goods in the marketplaces which will give better and almost real time business intelligence, improve products competitiveness and acceptance amongst the targeted customers.
- The amalgamation will contribute in furthering and fulfilling the objectives and business strategies of both the companies thereby accelerating growth, expansion and development of the respective businesses through the Transferee Company. The amalgamation will thus enable further expansion of the Transferee Company and provide a strong and focused base to undertake the business more advantageously. Further, this arrangement would bring concentrated management focus, integration, streamlining of the management structure, seamless implementation of policy changes and shall also help enhance the efficiency and control of the Transferee Company and Transferee Company.
- The synergies created by scheme of arrangement would increase operational efficiency and integrate business functions.

• The proposed arrangement will provide greater integration and flexibility to the Transferee Company and strengthen its position in the industry, in terms of the asset base, revenues, product and service range.

Further This Scheme of Arrangement for Amalgamation of the Transferor Company with the Transferee Company would result, inter-alia, in the following additional benefits to their respective members:

- i. Optimum and efficient utilization of capital, resources, assets and facilities;
- ii. Enhancement of competitive strengths including financial resources;
- iii. Consolidation of businesses and enhancement of economic value addition and shareholder value;
- iv. Obtaining synergy benefits;
- v. Better management and focus on growing the businesses.
- vi. The amalgamation would result in reduction of overheads, administrative, managerial and other expenditure and bring about operational rationalization, efficiency and optimum utilization of various resources.
- vii. A larger growing company will mean enhanced financial and growth prospects for the people and organization connected therewith, and will be in public interest. The amalgamation will conducive for better and more efficient and economical control over the business and financial conduct of the Companies.

12. Salient features of the Scheme are:

C. RATIONALE FOR THE SCHEME OF ARRANGEMENT

- The Transferor Company and Transferee Company are engaged in similar nature of business hence, the amalgamation of Chetan Industries Limited ("Transferor Company") with the JTL Infra Limited (Transferee Company) will strengthen the balance sheet of the Transferee Company and shall create a larger and stronger entity, which will have better resources for business growth and expansion. The scheme of arrangement shall provide a running and profitable business to the Transferee Company which has growth potential and shall also provide the shareholders of Transferor Company liquidity through listing and hence there is significant synergy for consolidation of both the entities.
- The independent operations of the Transferor Company and Transferee Company leads to incurrence of significant costs and the amalgamation would enable economies of scale by attaining critical mass and achieving cost saving. The amalgamation will thus eliminate a multi-layered structure and reduce managerial overlaps, which are necessarily involved in running multiple entities and also prevent cost duplication that can erode financial efficiencies of a holding structure and the resultant operations would be substantially cost-efficient. This Scheme would result in simplified corporate structure of the Transferee Company and its businesses, thereby leading to more efficient utilization of capital and creation of a consolidated base for future growth of the Transferee Company.

4 For JTL Infra Limited W Chetan Industries Limitço Director

- The Amalgamation of Transferor Company with Transferee Company shall result in multiple manufacturing facilities under single entity which enables Transferee Company to make production planning in more efficient manner, thereby reducing wastages, improves inputoutput ratio (yield factor) and shorter lead time.
- The Amalgamation of Transferor Company with Transferee Company will add an advantage of Multi-location production facilities, reduce freight cost, easily availability of finished goods in the marketplaces which will give better and almost real time business intelligence, improve products competitiveness and acceptance amongst the targeted customers.
- The amalgamation will contribute in furthering and fulfilling the objectives and business strategies of both the companies thereby accelerating growth, expansion and development of the respective businesses through the Transferee Company. The amalgamation will thus enable further expansion of the Transferee Company and provide a strong and focused base to undertake the business more advantageously. Further, this arrangement would bring concentrated management focus, integration, streamlining of the management structure, seamless implementation of policy changes and shall also help enhance the efficiency and control of the Transferor Company and Transferee Company.
- The synergies created by scheme of arrangement would increase operational efficiency and integrate business functions.
- The proposed arrangement will provide greater integration and flexibility to the Transferee Company and strengthen its position in the industry, in terms of the asset base, revenues, product and service range.

Further This Scheme of Arrangement for Amalgamation of the Transferor Company with the Transferee Company would result, inter-alia, in the following additional benefits to their respective members:

- i. Optimum and efficient utilization of capital, resources, assets and facilities;
- ii. Enhancement of competitive strengths including financial resources;
- iii. Consolidation of businesses and enhancement of economic value addition and shareholder value;
- iv. Obtaining synergy benefits;
- v. Better management and focus on growing the businesses.
- vi. The amalgamation would result in reduction of overheads, administrative, managerial and other expenditure and bring about operational rationalization, efficiency and optimum utilization of various resources.

For Chatan Industries Limited L Infra L Director

- vii. A larger growing company will mean enhanced financial and growth prospects for the people and organization connected therewith, and will be in public interest. The amalgamation will conducive for better and more efficient and economical control over the business and financial conduct of the Companies.
- D. Due to the aforesaid reasons, it is considered desirable and expedient to amalgamate both the companies in accordance with this Scheme, pursuant to Section 230 232 of the Companies Act, 2013.
- E. The amalgamation of the Transferor Company with the Transferee Company, pursuant to and in accordance with this Scheme, under Section 230-232 of the Companies Act, 2013, shall take place with effect from the Appointed Date and shall be in compliance with Section 2(1B) of the Income Tax Act, 1961.

This Valuation Report has been prepared by Mr. Ajay Kumar Siwach to provide valuation of Chetan Industries Limited (Transferor Company) with J T L Infra Limited (Transferee Company) in order to determine the share exchange ratio of equity shares of the same above mentioned companies. The Appointed Date for this Amalgamation has been kept as 12th August, 2021.

BRIEF OF THE COMPANIES INVOLVED UNDER THIS ARRANGEMENT

- Chetan Industries LIMITED (herein after referred to as 'CIL' or "Transferor Company"), bearing CIN-U26941CH1995PLC017464 was incorporated on 21st December, 1995 under the provisions of Companies Act, 1956. The registered office of the Company is situated at SCF 18 19, Sector 28 C Chandigarh -160002, India.
- JTLINFRA LIMITED (herein after referred to as 'JTLIL' or "Transferee Company"), bearing CIN L27106CH1991PLC011536 was incorporated on 29th July, 1991 under the provisions of Companies Act, 1956. The registered office of the Company is situated at SCF 18 19, Sector 28 C Chandigarh -160002, India. The shares of company are listed on BSE Limited and Metropolitan Stock Exchange.

1. OBJECTIVES AND RATIONALE OF THE SCHEME:-

- The Transferor Company and Transferee Company are engaged in similar nature of business hence, the amalgamation of Chetan Industries Limited ("Transferor Company") with the J T L Infra Limited (Transferee Company) will strengthen the balance sheet of the Transferee Company and shall create a larger and stronger entity, which will have better resources for business growth and expansion. The scheme of arrangement shall provide a running and profitable business to the Transferee Company which has growth potential and shall also provide the shareholders of Transferor Company liquidity through listing and hence there is significant synergy for consolidation of both the entities.
- The independent operations of the Transferor Company and Transferee Company leads to incurrence of significant costs and the amalgamation would enable economies of scale by attaining critical mass and achieving cost saving. The amalgamation will thus eliminate a multi-layered structure and reduce managerial overlaps, which are necessarily involved in running multiple entities and also prevent cost duplication that can erode financial efficiencies of a holding structure and the resultant operations would be substantially cost-efficient. This Scheme would result in simplified corporate structure of the Transferee Company and its businesses, thereby leading to more efficient utilization of capital and creation of a consolidated base for future growth of the Transferee Company.
- The Amalgamation of Transferor Company with Transferee Company shall result in multiple manufacturing facilities under single entity which enables Transferee Company to make production planning in more efficient manner, thereby reducing wastages, improves input-output ratio (yield factor) and shorter lead time.
- The Amalgamation of Transferor Company with Transferee Company will add an advantage of Multi-location production facilities, reduce freight cost, easily availability of

Ajay Kumar Siwach

FCS, LL.B. IP, RV. MBA

In case of a merger valuation, the emphasis is on arriving at the "relative" values of the shares of the merging companies to facilitate determination of the "share exchange ratic". Hence, the purpose is not to arrive at absolute values of the shares of the companies.

Judicial Pronouncements:-

Hindustan lever Employees' Union v/s Hindustan lever Limited and others (1995) 83 Company cases 30 (SC)

The jurisdiction of the Court in sanctioning a claim of merger is not to ascertain mathematical accuracy if the determination satisfied the arithmetical test. A company court does not exercise an appellate jurisdiction. It exercises a jurisdiction founded on fairness. It is not required to interfere only because the figure arrived at by the valuer was not as good as it would have been if another method had been adopted. What is imperative is that such determination should not have been contrary to law and that it was not unfair for the shareholders of the company which was being merged.

The Hon'ble Supreme Court held "We do not think that the internal management, business activity or institutional operation of public bodies can be subjected to inspection by the court. To do so, is incompetent and improper and, therefore, out of bounds."

The dominance of profits for valuation of share was emphasised in "McCathies case" (Taxation, 69 CLR 1) where it was said that "the real value of shares in a company will depend more on the profits which the company has been making and should be capable of making, having regard to the nature of its business, than upon the amount which the shares would realize on liquidation". This was also re-iterated by the Indian Courts in Commissioner of Wealth Tax v. MahadeoJalan's case (S.C.) (86 ITR 621) and Additional Commissioner of Gift Tax v. Kusumben D. Mahadevia (S.C.) (122 ITR 38).

In the ultimate analysis, valuation will have to involve the exercise of judicious discretion and judgment taking into account all the relevant factors. There will always be several factors, e.g. Present and prospective competition, yield on comparable securities, and market sentiments etc. which are not evident from the face of the balance sheets but which will strongly influence the worth of a share.

Based on the facts of the case, we have valued Chetan Industries Limited as per Adjusted Net Asset Value (NAV) Method and Comparable Companies Multiple (CCM) Method and J T L Infra Limited as per Adjusted Net Asset Value (NAV) Method and Market Price Method (26 Weeks - 2 Weeks).

T	here are three approa	aches to Valuation namely Income, Asset and Market Approaches.
	Sel in constants	
Asset	Adjusted Net Asset Value (NAV) Method	The Asset based method views the business as a set of assets and liabilities that are used as building blocks of a business value. The difference in the value of these assets and liabilities on a Book Value basis or Realizable Value basis or Replacement Cost basis is the business value. This method is generally used to evaluate the entry barrier that exists in a business as well as this method is suited for companies having common management and shareholders as in case of group consolidation where no assets or liabilities are moving outside the group. We have applied this methodology in this valuation.
Comparable Companies Multiples (CCM) Method Market Market Price Method (26 Weeks - 2 Weeks)	This methodology uses the valuation ratio of a publicly traded company and applies that ratio to the company being valued. The valuation ratio typically expresses the valuation as a function of a measure of financial performance or Book Value (e.g. Revenue, EBITDA, EBIT, Earnings per Share or Book Value). A key benefit of Comparable Company Market Multiple analysis is that the methodology is based on the current market stock price. The current stock price is generally viewed as one of the best valuation metrics because it is based on observable inputs. In the instant case, we have applied this methodology for Chetan Industries Limited, as the listed peers of the company were available. However, JTL Infra Limited is a listed company and frequently traded on BSE Limited. Hence, we have considered the market approach method for its valuation (26-Weeks and 2 weeks method). Further, as we have already considered the market approach with the 26 weeks - 2 weeks method, we deemed it appropriate to ignore the CCM (which is also under market approach).	
	Method (26	In the method the average of the maximum and minimum weekly VWAP (Volume Weighted Average Price) of the latest 26 weeks and 2 weeks are taken. These averages are then added and are divided by the number of weeks the shares are traded in latest 26 weeks and 2 weeks. The maximum of the two is then taken as the fair market value. Since JTL Infra Limited is a listed company on BSE and a frequently traded company, we have applied this methodology in this instant case for JTL Infra Limited. Further, Chetan Industries Limited is an unlisted company, hence, its share price is not available on BSE/NSE and therefore, we have not considered the market approach method for its valuation. The shares of the Company are also listed on Metropolitan Stock Exchange, however, there has been no trading of the Shares of the Company on that platform.
Income	Discounted Cash Flow (DCF) Method	The DCF method expresses the present value of the business as a function of its future cash earnings capacity. This methodology works on the premise that the value of a business is measured in terms of future cash flow streams, discounted

to the present time at an appropriate discount rate. The value of the firm is arrived at by estimating the Free Cash Flows (FCF) to Firm and discounting the same with Weighted Average cost of capital (WACC). The DCF methodology is considered to be the most appropriate basis for determining the earning capability of a business. In the DCF approach, the appraiser estimates the cash flows of any business after all operating expenses, taxes, and necessary investments in working capital and Capex is being met. We have not applied this methodology as it is based on future business plan of the company and measures the potential value of business. However, the company has not provided the future projections so we deemed it appropriate to ignore this methodology.

CONTEXT AND BACKGROUND

The Transferor Company and Transferee Company are engaged in similar nature of business hence, the amalgamation of Chetan Industries Limited ("Transferor Company") with the J T L Infra Limited (Transferee Company) will strengthen the balance sheet of the Transferee Company and shall create a larger and stronger entity, which will have better resources for business growth and expansion. The scheme of arrangement shall provide a running and profitable business to the Transferee Company which has growth potential and shall also provide the shareholders of Transferor Company liquidity through listing and hence there is significant synergy for consolidation of both the entities.

The independent operations of the Transferor Company and Transferee Company leads to incurrence of significant costs and the amalgamation would enable economies of scale by attaining critical mass and achieving cost saving. The amalgamation will thus eliminate a multi-layered structure and reduce managerial overlaps, which are necessarily involved in running multiple entities and also prevent cost duplication that can erode financial efficiencies of a holding structure and the resultant operations would be substantially cost-efficient. This Scheme would result in simplified corporate structure of the Transferee Company and its businesses, thereby leading to more efficient utilization of capital and creation of a consolidated base for future growth of the Transferee Company.

The Amalgamation of Transferor Company with Transferee Company shall result in multiple manufacturing facilities under single entity which enables Transferee Company to make production planning in more efficient manner, thereby reducing wastages, improves input-output ratio (yield factor) and shorter lead time.

The Amalgamation of Transferor Company with Transferee Company will add an advantage of Multi-location production facilities, reduce freight cost, easily availability of finished goods in the marketplaces which will give better and almost real time business intelligence, improve products competitiveness and acceptance amongst the targeted customers.

The amalgamation will contribute in furthering and fulfilling the objectives and business strategies of both the companies thereby accelerating growth, expansion and development of the respective businesses through the Transferee Company. The amalgamation will thus enable further expansion of the Transferee Company and provide a strong and focused base to undertake the business more advantageously. Further, this arrangement would bring concentrated management focus, integration, streamlining of the management structure, seamless implementation of policy changes and shall also help enhance the efficiency and control of the Transferor Companies and Transferee Company.

The synergies created by scheme of arrangement would increase operational efficiency and integrate business functions.

The proposed arrangement will provide greater integration and flexibility to the Transferee Company and strengthen its position in the industry, in terms of the asset base, revenues, product and service range.

Further This Scheme of Arrangement for Amalgamation of the Transferor Company with the Transferee Company would result, inter-alia, in the following additional benefits to their respective members:

- i. Optimum and efficient utilization of capital, resources, assets and facilities;
- ii. Enhancement of competitive strengths including financial resources;
- iii. Consolidation of businesses and enhancement of economic value addition and shareholder value;
- iv. Obtaining synergy benefits;
- v. Better management and focus on growing the businesses.

- The amalgamation would result in reduction of overheads, administrative, managerial and other expenditure and bring about operational rationalization, efficiency and optimum utilization of various resources.
- vii. A larger growing company will mean enhanced financial and growth prospects for the people and organization connected therewith, and will be in public interest. The amalgamation will conducive for better and more efficient and economical control over the business and financial conduct of the Companies.

CONCLUSION & OPINION

In case of a merger valuation, the emphasis is on arriving at the "relative" values of the shares of the merging companies to facilitate determination of the "share exchange ratio". Hence, the purpose is not to arrive at absolute values of the shares of the companies.

Judicial Pronouncements:-

Hindustan lever Employees' Union v/s Hindustan lever Limited and others (1995) 83 Company cases 30 (SC)

The jurisdiction of the Court in sanctioning a claim of merger is not to ascertain mathematical accuracy if the determination satisfied the arithmetical test. A company court does not exercise an appellate jurisdiction. It exercises a jurisdiction founded on fairness. It is not required to interfere only because the figure arrived at by the valuer was not as good as it would have been if another method had been adopted. What is imperative is that such determination should not have been contrary to law and that it was not unfair for the shareholders of the company which was being merged.

The Hon'ble Supreme Court held "We do not think that the internal management, business activity or institutional operation of public bodies can be subjected to inspection by the court. To do so, is incompetent and improper and, therefore, out of bounds."

The dominance of profits for valuation of share was emphasized in "McCathies case" (Taxation, 69 CLR 1) where it was said that "the real value of shares in a company will depend more on the profits which the company has been making and should be capable of making, having regard to the nature of its business, than upon the amount which the shares would realize on liquidation". This was also re-iterated by the Indian Courts in Commissioner of Wealth Tax v. MahadeoJalan's case (S.C.) (86 ITR 621) and Additional Commissioner of Gift Tax v. Kusumben D. Mahadevia (S.C.) (122 ITR 38).

In the ultimate analysis, valuation will have to involve the exercise of judicious discretion and judgment taking into account all the relevant factors. There will always be several factors, e.g. Present and prospective competition, yield on comparable securities, and market sentiments etc. which are not evident from the face of the balance sheets but which will strongly influence the worth of a share.

Based on the facts of the case, the valuation of Chetan Industries Limited is done as per Adjusted Net Asset Value (NAV) Method and Comparable Companies Multiple (CCM) Method and of JTL Infra Limited as per Adjusted Net Asset Value (NAV) Method and SEBI Preferential Allotment Method.

"Subject to above read with the caveats as detailed later, we as a Merchant Banker hereby certify that pursuant to SEBI Master Circular no. SEBI/HO/CFD/DIL1/CIR/P/2021/0000000665 dated November 23, 2021, we have reviewed the proposed Scheme of Arrangement for Amalgamation with respect to the share exchange ratio aspects and consider it to be fair and reasonable from the point of view of equity shareholders of the Companies".

INDEPENDENT AUDITORS' REPORT

<u>To</u> <u>The Members of Chetan Industries Limited</u> <u>Chandigarh</u>

Report on the audit of the standalone financial statements

Opinion

We have audited the accompanying financial statements of CHETAN INDUSTRIES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

*

ā.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a

whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Emphasis of Matter

6

The Company has made a detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, investments, inventory and trade receivables. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The Company continues to evaluate them as highly probable considering the orders in hand. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 pandemic which may be different from that estimated as at the date of approval of the financial results. The Company will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

Our opinion is not modified in respect of this matter.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

.

4

£.

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

2

4

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("The Order") issued by the Central Government of India in terms of sub-section (11) of Sec 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.

2. A) As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014, as amended from time to time;
- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;

- f) With respect to adequacy of internal financial controls over financial reporting of company and operating effectiveness of such controls, refer to our separate report in "Annexure B".
- B) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in our opinion and to the best of our information and according to the explanation given to us the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
- C) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
 - a. The Company does not have any pending litigation other than that reported in note no 31 of Notes to Accounts;
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - c. The Company is not required to transfer any amounts to the Investor Education and Protection Fund.
 - d. (i) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with

(B) As there are no intangible assets hence maintenance of its records is considered not necessary.

- (b) As explained & informed to us the Property, Plant & Equipment have been physically verified by the management in a phased periodical manner which, in our opinion, is reasonable having regard to the size of the company and nature of its business. No material discrepancies were noticed on such verification.
- (c) As informed to us by the management the title deeds of all the immovable properties disclosed in the financial statements are held in the name of the Company. As the title deeds are mortgaged in the bank hence, we have relied upon the representation given by the management in this regard.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year. Hence remaining particulars is considered not applicable.
- (e) According to the information and explanations given to us no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under.
- (a) As informed to us by the management, physical verification of inventory has been conducted by the management at regular intervals, and no material discrepancies were noticed on such physical verification. In our opinion, the coverage and procedure of such verification by the management is commensurate with the nature & size of business.

(b) The company has been sanctioned working capital limits in excess of five crore rupees during the year, in aggregate, from banks on the basis of security of current assets. However, we have been informed by the company that no quarterly returns or statements are required to be submitted to the bank and hence, its agreement with books of accounts is considered not applicable. Differences in monthly statements submitted are not detrimental to the interests of the bank.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Chetan Industries Limited ("the Company") as on 31st of March 2022 in conjunction with our audit of the financial statements of the Company for the year ended 31st March 2022.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (TCAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

.

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and

their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

m) Employees Benefits:-

i) Short Term Employee Benefita:-

All employee benefits payable within twelve months of rendering of services are classified as short-term benefits. Such benefits include salaries, wages, bonus, leave salary etc, and the same are recognised in the period in which the employee renders the related service.

ii) Post Employment Benefits:-

A) Defined Contribution Plan:

Company's contribution to provident fund & ESIC are defined contribution plans and are recognized during the period in which the employee renders the related service.

B) Defined Benefit Plans:

.

Gratuity payable to employees comes under defined benefit plans. Liability of gratuity is estimated and accounted on the basis of half month's average salary for each completed year of service vesting occurs upon completion of five years of service. The company accounts for the liabaility for gratuity benefits payable in the future based on a year end actuarial valuation. Earlier it was based on the liability as per Gratuity Act. However, there is no material difference due to change in the method of provision of gratuity.

n) Foreign Currency Transactions:

As per AS -11 foreign currency transactions are initially recorded in the reporting currency by applying the exchange rate at the date of transaction. Any restatement of such transaction balance at the end of the period or on settlement of transaction results in foreign exchange profit/loss. Exchange differences arising on the settlement of monetary items or on reporting an enterprise's monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements should be recognised as income or expense in the period in which they arise. Foreign exchange gains/losses are separately recognised in the profit and loss account and exclude it from the respective captions such as sales purchase etc.

FRN:007747C

- Amount due to micro &small enterprises as defined in the "The Micro, Small and Medium Enterprises Development Act, 2006" has been determined on the basis of information provided to the company. Some more enterprises may also get classified under the above but in absence of relevant information with the company they can't be classified as MSME.
- 2) Information in point no 6(b) is as per information &claims of interest made if any by MSME's.
- 3) Due date of payment is as per oral agreements made between parties which generally coincide with the credit period extended in normal course of business.
- 4) Payment to creditors is generally outstanding beyond due date of payment due to inferior quality of materials supplied and non adherence to the agreed terms & conditions of purchase by the supplier. No claim of interest has been made by any MSME's due to the above. Necessary adjustment entries will be passed on final settlement of accounts.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF JTL INFRA LIMITED

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone financial statements of JTL infra Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2022, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements")..

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statement.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

The Key Audit Matter	Auditor's Response	
Related Party Transactions The Company has entered into several transactions with related parties during the year ended 31 March 2022 and also has outstanding balances as at the year end. We identified related party transactions as a key audit matter due to the risk with respect to completeness of disclosures made in the standalone financial statements due to a volume of such transactions, recoverability of balances outstanding, compliance with statutory regulations governing related party transactions such as the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 ('the SEBI listing regulations'), and the judgements involved in assessing whether transactions with related parties are undertaken at an arms' length.	 Our key audit procedures around related party transactions included, but were not limited to, the following: Evaluated the design and tested the operating effectiveness of the relevant key controls to identify and disclose related party relationships and transactions in accordance with the relevant accounting standards. Assessed the compliance with the SEBI listing regulations and the regulations under the Companies Act, 2013, including authorization and approvals as specified in Sections 177 and 188 of the Companies Act, 2013 with respect to the related party transactions, as applicable. In cases where the matter was subject to interpretation, we assessed reasonableness of management's judgement. Verified the management's assessment of recoverability of dues from related parties by reference to underlying supporting documents such as valuation of underlying assets of such entities and settlement of such transactions for arms' length pricing. Considered the adequacy and appropriateness of the disclosures made in the standalone financial statements of related party transactions in accordance with the requirements of applicable accounting standard. 	
Revenue Recognition The Company recognizes revenue at the point of time when control of the goods is transferred to the customer at an amount that reflects the consideration to which the	 We performed process walk through to understate the adequacy and the design of the revenue cycl We tested internal controls in the revenue and training

- We reviewed the revenue recognition policy applied by the Company to ensure its compliance with Ind-AS 115 requirements.
- We checked the contracts of customers along with revenue recognition policy applied by the Company to ensure satisfaction of performance obligation upon transfer of control of products to customer at a point in time. Our checking procedure includes consideration of the accounting and presentation of the rebates and discount arrangements.
- In addition to substantive analytical reviews performed to understand how the revenue has trended over the year, we performed a detailed testing on transactions around the year-end, ensuring revenues were recognised in the correct accounting period. We also tested journal entries recognised to revenue focusing on unusual or irregular transactions.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the

Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Financial Statement

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of

accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the statement of changes in equity dealt with by this Report are in agreement with the relevant books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.
- (h) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements;
 - II. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of JTL infra Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the

3238, 3nd Floor, Sector 35 D. Chandigarh 160 035 Mobile: 98725 00845 | Email: skvatsank@yahoo.com assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 2 Under 'Report on other Legal and Regulatory Requirements' of our Report of Even Date)

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2022, we report that:

 (a) - The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.

- The Company doesnot have any intangible asset hence reporting under clause 3(i)(B) of the Order is not applicable.

- (b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner, over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us including registered title deeds, we report that, the title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right-ofuse assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. In respect of its inventories:
 - (a) The management has physically verified the inventories. In our opinion, the frequency, coverage and procedure of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material and such discrepancies have been properly dealt with in the books of accounts.
 - (b) The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets during the year. According to the information and explanations given to us, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of accounts of the Company.

3230, 2nd Floor, Sector 35 D, Chandigarh 160 035 Mobile: 98725 00845 | Email: skvatsank@yahoo.com

- iii. The Company has made investments in and granted unsecured loans to companies during the year, in respect of which:
 - (a) The aggregate amount granted during the year and balance outstanding at the balance sheet date with respect to loans granted is Rs. 2.46 crore and R.2.46 crore respectively. The company has not provided any guarantees or securities for loan taken by subsidiary or associate company.
 - (b) The investment made and terms and conditions of grant of such loans are not prejudicial to the Company's interest.
 - (c) In respect of loans granted by the Company, payment of interest has been stipulated and receipt of interest has been regular.
 - (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted and investments made, as applicable.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit from the public in accordance with the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- vi. We have broadly reviewed the accounts and records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 read with Companies (Cost Records and Audit) Amendment Rules, 2014 specified by the Central Government under section 148 of the Act, and are of the opinion that the prima facie, the prescribed Cost records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determine whether they are accurate or complete.

vii. According to the information and explanations given to us, in respect of statutory dues

(a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at 31st March, 2022 for a period of more than six months from the date they became payable.

(c) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March, 2022 on account of disputes are given below:

Name of the statue	Amount (Rs.in Lacs)	Period to which the amount relates	Forum where dispute is pending

* Net of amount paid under protest.

- vill. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the income Tax Act, 1961 (43 of 1961).
- ix. (a) Based on the information and explanations given to us, we are of the opinion that the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lenders.

(b)The Company is not declared a willful defaulter by any bank or financial institution or other lender.

(c) The term loan has been applied for the purpose for which they were obtained.

(d) On an overall examination of the financial statements of the Company, funds raised on shortterm basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) The Company has not raised loans during the year on the pledge of securities held in its subsidiary or associate companies.

 x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Hence, reporting under clause 3(x)(a) of the Order is not applicable).

(b) According to the information and explanations given to us, the Company has made preferential allotment of shares during the year under review. In respect of the above issue, we further report

that :

 a) the requirement of Section 42 of the Companies Act, 2013, as applicable, have been complied with; and

b) the amounts raised have been applied by the Company during the year for the purposes for which the funds were raised.

During the year the Company has not made any private placement of shares or fully or partly convertible debentures.

xi. (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

(c) We have taken into consideration the whistle blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing and extent of our audit procedures.

- xii. In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

- xv. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not entered into any noncash transaction with directors or persons connected with him, therefore, reporting under dause 3(xv) of the Order is not applicable.
- xvi. (a) The Company is not engaged in business of Non-Banking Financial Company or Housing Finance Company or Core Investment Company requiring registration under the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
 (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred any cash losses in the financial year covered by our audit and in the immediately preceding financial year.

- xviil. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a fund specified in Schedule VII to the Companies Act in compliance with Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(b) There are no unspent amounts towards CSR on ongoing projects requiring a transfer to a fund specified in Schedule VII to the Companies Act in compliance of Section 135 of the Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in

forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The Key Audit Matter	Auditor's Response
Related Party Transactions The Company has entered into several transactions with related parties during the year ended 31 March 2022 and also has outstanding balances as at the year end. We identified related party transactions as a key audit matter due to the risk with respect to completeness of disclosures made in the standalone financial statements due to a volume of such transactions, recoverability of balances outstanding, compliance with statutory regulations governing related party transactions such as the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 ('the SEBI listing regulations'), and the judgements involved in assessing whether transactions with related parties are undertaken at an arms' length.	Our key audit procedures around related party transactions included, but were not limited to, the following: Evaluated the design and tested the operating effectiveness of the relevant key controls to identify and disclose related party relationships and transactions in accordance with the relevant accounting standards. Assessed the compliance with the SEBI listing regulations and the regulations under the Companies Act, 2013, including authorization and approvals as specified in Sections 177 and
Revenue Recognition The Company recognizes revenue at the point of time when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in	 Our key audit procedures around revenue recognition included, but were not limited to, the following: We performed process walk through to understand the adequacy and the design of the revenue cycle. We tested internal controls in the revenue and trade receivables over the accuracy and timing of revenue accounted in the financial statements.

exchange for those goods or services.

In determining the transaction price for the sale, the Company considers the effects of variable consideration and consideration receivable from the customer.

The nature of rebates, discounts and sales returns, if any, involve judgment in determining sales revenues and revenue cut-off. The risk is, therefore, that revenue may not be recognized in the correct period or that revenue and associated profit is misstated.

- Understanding the policies and procedures applied to revenue recognition, as well as compliance thereof, including an analysis of the effectiveness of controls related to revenue recognition processes employed by the Company.
- We reviewed the revenue recognition policy applied by the Company to ensure its compliance with Ind-AS 115 requirements.
- We checked the contracts of customers along with revenue recognition policy applied by the Company to ensure satisfaction of performance obligation upon transfer of control of products to customer at a point in time. Our checking procedure includes consideration of the accounting and presentation of the rebates and discount arrangements.
- In addition to substantive analytical reviews performed to understand how the revenue has trended over the year, we performed a detailed testing on transactions around the year-end, ensuring revenues were recognised in the correct accounting period. We also tested journal entries recognised to revenue focusing on unusual or irregular transactions.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding's Board of Directors is responsible for the other information. The other information comprises Board's Report, Report on Corporate governance and Business Responsibility report but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries and associates audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries and associates, is traced from their financial statements audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, Consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its associates in accordance with Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates; for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are also responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Companyhas adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities
 or business activities within the Group and its associates to express an opinion on the
 Consolidated Financial Statements. We are responsible for the direction, supervision and
 performance of the audit of the financial statements of such entities or business activities
 included in the Consolidated Financial Statements of which we are the independent auditors.
 For the other entities or business activities included in the Consolidated Financial Statements,
 which have been audited by other auditors, such other auditors remain responsible for the
 direction, supervision and performance of the audits carried out by them. We remain solely
 responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- planning the scope of our audit work and in evaluating the results of our work; and
- to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

Report on Other and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of other auditors on separate financial statements of subsidiary and associate companies incorporated in india, referred in the Other Matters paragraph above we report, to the extent applicable, that.

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of

those books and the reports of the other auditors

- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2022 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies and associate companies incorporated in India, none of the directors of the Group companies is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls. The company has no subsidiary company and associate company incorporated in India. And as such, the internal financial controls over financial reporting and the operating effectiveness of such controls as reported for our Report on Other and Regulatory Requirements of Standalone Financial Statements remain same for Consolidated Financial Statements. Hence separate reporting for Consolidated Financial Statement has not been made.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associates.
 - The Group and its associates did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

TO THE MEMBERS OF

JTL INFRA LIMITED

In conjunction with our audit of the consolidated Ind AS financial statements of JTL Infra Limited (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2022, we have audited the internal financial controls with reference to consolidated Ind AS financial statements of the Holding Company and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate Internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our

audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INTERNAL RISK FACTORS

- Company doesn't have large customers base and reliance on large number of smaller customers. This may lead to uncertainty of demand. Change in customer behavior could impact our business operations.
- Company has been dealing with most of customers for the past several years, but we have not
 entered into any long-term agreements with customers and instead rely on purchase orders to govern
 the volume and other terms of our sales of products. Consequently, there is no commitment on the
 part of our customers to continue to place new purchase orders with us and as a result, our cash
 flow and consequent revenue may fluctuate significantly from time to time.
- Raw materials consumed constitute a significant percentage of our Company's total expenses. Any
 fluctuation in prices could affect Company's business.
- The demand and pricing in the steel and steel products industry is volatile. A decrease in steel prices
 may have a material adverse effect on our business, results of operations, prospects and financial
 condition. and energy
- Any reduction in the demand for our products could lead to underutilization of our manufacturing capacity. We may also face surplus production of a particular product due to various reasons

including inaccurate forecasting of customer requirements, which could adversely affect our business, results of operations, financial condition and cash flows.

- The company operates under several statutory and regulatory permits, licenses and approvals, including that required for operational hazards. Failure to obtain and/or renew any approvals or licenses in future may have an adverse impact on business operations.
- There are certain outstanding Demands and any adverse decision in such proceedings may have adverse effect on finances.

RATIONALE OF THE SCHEME OF ARRANGEMENT

The Transferor Company and Transferee Company are engaged in similar nature of business hence, the amalgamation of Chetan Industries Limited ("Transferor Company") with the J T L Infra Limited (Transferee Company) will strengthen the balance sheet of the Transferee Company and shall create a larger and stronger entity, which will have better resources for business growth and expansion. The scheme of arrangement shall provide a running and profitable business to the Transferee Company which has growth potential and shall also provide the shareholders of Transferor Company liquidity through listing and hence there is significant synergy for consolidation of both the entities. •

The Amalgamation of Transferor Company with Transferee Company shall result in multiple manufacturing facilities under single entity which enables Transferee Company to make production planning in more efficient manner, thereby reducing wastages, improves input-output ratio (yield factor) and shorter lead time.

The Amalgamation of Transferor Company with Transferee Company will add an advantage of Multilocation production facilities, reduce freight cost, easily availability of finished goods in the marketplaces which will give better and almost real time business intelligence, improve products competitiveness and acceptance amongst the targeted customers.

The amalgamation will contribute in furthering and fulfilling the objectives and business strategies of both the companies thereby accelerating growth, expansion and development of the respective businesses through the Transferee Company. The amalgamation will thus enable further expansion of the Transferee Company and provide a strong and focused base to undertake the business more advantageously. Further, this arrangement would bring concentrated management focus, integration, streamlining of the management structure, seamless implementation of policy changes and shall also help enhance the efficiency and control of the Transferor Companies and Transferee Company.

The synergies created by scheme of arrangement would increase operational efficiency and integrate business functions. The proposed arrangement will provide greater integration and flexibility to the Transferee Company and strengthen its position in the industry, in terms of the asset base, revenues, product and service range. A larger growing company will mean enhanced financial and growth prospects for the people and organization connected therewith, and will be in public interest. The amalgamation will conducive for better and more efficient and economical control over the business and financial conduct of the Companies.

7. The rationale of the Scheme is given below:-

- a) The Transferor Company and Transferee Company are engaged in similar nature of busineSS hence, the amalgamation of Chetan Industries Limited ("Transferor Company") with the JTL Infra Limited (Transferee Company) will strengthen the balance sheet of the Transferee Company and shall create a larger and stronger entity, which will have better resources for business growth and expansion. The scheme of arrangement shall provide a running and profitable business to the Transferee Company which has growth potential and shall also provide the shareholders of Transferor Company liquidity through listing and hence there is Significant synergy for consolidation of both the entities.
- b) The independent operations of the Transferor Company and Transferee Company leads to incurrence of significant costs and the amalgamation would enable economies of scale by attaining critical mass and achieving cost saving. The amalgamation will thus

Page **4** of **15**

eliminate a multilayered structure and reduce managerial overlaps, which are necessarily involved in running multiple entities and also prevent cost duplication that can erode financial efficiencies of a holding structure and the resultant operations would be substantially cost-efficient. This Scheme would result in simplified corporate structure of the Transferee Company and its businesses, thereby leading to more efficient utilization of capital and creation of a Consolidated base for future growth of the Transferee Company.

- c) The Amalgamation of Transferor Company with Transferee Company shall result in multiple manufacturing facilities under a single entity which enables Transferee Company to make production planning in more efficient manner, thereby reducing wastages, improves input- output ratio (yield factor) and shorter lead time.
- d) The Amalgamation of Transferor Company with Transferee Company will add an advantage of Multi-location production facilities, reduce freight cost, easily availability of finished goods in the marketplaces which will give better and almost real time business intelligence, improve products competitiveness and acceptance amongst the targeted customers.
- e) The amalgamation will contribute in furthering and fulfilling the objectives and business strategies of both the companies thereby accelerating growth, expansion and development of the respective businesses through the Transferee Company. The amalgamation will thus enable further expansion of the Transferee Company and provide a strong and focused base to undertake the business more advantageously. Further. this arrangement would bring concentrated management focus, integration, streamlining of the management structure, seamless implementation of policy changes and shall also help enhance the efficiency and control of the Transferor Company and Transferee Company.
- f) The synergies created by scheme of arrangement would increase operational efficiency and integrate business functions.

g) The proposed arrangement will provide greater integration and flexibility to the Transferee Company and strengthen its position in the industry, in terms of the asset base, revenues, product and service range.

8. As per the Scheme of Amalgamation, it involves the merger of Transferor Company into Transferee Company.

9. It is stated that the Board of Directors of Applicant Companies in their respective meetings held on 18.08.2021 and 30.12.2021 have considered and unanimously approved the Scheme of Amalgamation subject to sanctioning of the same by this Tribunal.
