## File pleas in organised tax evasion cases; don't stick to monetary threshold: CBDT

PRESS TRUST OF INDIA New Delhi, September 6

THE CBDT DIRECTED the income tax authorities on Friday to pursue the cases of "organised tax evasion" through long-term capital gains (LTCG) or short-term capital loss (STCL) in courts as it set aside the condition of sticking to the established monetary limits for filing appeals.

A Central Board of Direct Taxes (CBDT) order accessed by PTI said the decision was being taken after "several references" were received by the board, where a large number of cases of organised tax evasion through LTCG and STCL on penny stocks were noticed.

The Income-Tax (I-T)

The I-T department had informed the CBDT that it was 'unable' to pursue

some cases in the higher iudicial forums on account of the recently-enhanced monetary limits

department had informed the CBDT that it was "unable" to pursue these cases in the higher judicial forums on account of the recently-enhanced monetary limits.

"It has been reported that in a large number of cases, the income tax appellate tribunals (ITATs) and high courts have recognised the unique modus operandi (LTCG and STCL) involved in such scams and passed judgments in favour of the revenue.

"However, in cases where some appellate forums have not given due consideration to the position of law or facts investigated by the department, there is no remedy available with the department for filing a further appeal in view of the prescribed monetary limits," the department had complained to the CBDT.

Hence, the CBDT directed in

the order that appeals might be filed "on merits" as an exception to the recent order enhancing the monetary limits for the

The order said the board, by way of a special order, could direct filing of appeals in these instances of organised tax evasion activity even if they were below the threshold. The CBDT frames policies

for the I-T department. It has recently enhanced the monetary limit for filing an

appeal before the ITATs to ₹50

lakh from ₹20 lakh. In case of the high courts, the limit has been doubled to ₹1 crore and in case of the Supreme Court, the limit for filing appeal has been increased

from ₹1 crore to ₹2 crore.

# Mumbai, September 6

PRESS TRUST OF INDIA

AHEAD OFTHE coming Maharashtra assembly elections, Prime Minister Narendra Modi will lay foundation stones for three more Metro corridors worth over ₹19,000 crore in Mumbai on Saturday.

Assembly elections are due in Maharashtra in October. Modi will also perform

bhoomipujan (ground-breaking) for the controversial Metro Bhavan in Aarey Colony area, considered to be the green lung of the city by environmental activists. Activists have slammed the

Maharashtra government's decision to build the main carshed of the metro project and a casting yard in Aarey Colony, adjacent to Sanjay Gandhi National Park, which will require felling of thousands of trees.

PM Narendra Modi

There were protests against planned tree-cutting earlier this week.

The three metro projects all elevated lines — that Modi will announce are 9.2-km Gaimukh-Shivaji Chowk (Mira Road) metro-10 corridor; 12.8km Wadala-CST metro-11 corridor and 20.7-km Kalyan-Taloja metro-12 corridor.

The 32-storey Metro Bhavan, which will be the integrated operations and control

centre for the proposed 14 metro lines in and around Mumbai, is proposed to be built on a 20,387 sq mt plot with a developable area of 1,14,088 sq mt within Aarey Colony.

PM to launch three more Metro lines in Mumbai

Of the total developable area, the Metro Bhavan will consume 24,293 sq mt of forest land, the metro training institute will come up on 9,624 sq mt and another 80,171 sq mt of the green cover will be consumed for other metro-related works.

The Metro Bhavan is expected to completed in 36 months, while the three metro lines are scheduled for completion by 2026. Besides these, Modi will also

inaugurate the first metro coach manufactured by the state-run Bharat Earth Movers at its Bengaluru facility in flat

The state-run Mumbai Met-

ropolitan Region Development Authority (MMRDA) has ordered over 500 such coaches for the first few lines of the metro including the Dahisar DN Nagar metro-2A and Andheri (East)-Dahisar (East)

metro-7 corridors, which will be completed soon. Maharashtra government has decided to create a 337-km long metro network involving 14 lines across the Mumba Metropolitan Region (MMR) over four-five years, investing

more than ₹1 lakh crore. Of these, civil works on six corridors — the Dahisar-DN Nagar metro-2A corridor, DN Nagar-Mandale metro-2B cor ridor, Colaba-Bandra-SEEPZ metro-3 corridor, Wadala-Kasarvadavli metro-4 corridor Swami Samarth Nagar-Vikhrol metro-6 corridor and Andheri

(East) to Dahisar (East) metro-7

corridor--have already begun.

# CEA panel moots TReDS-type e-platform for discoms to pay IPPs

PRESS TRUST OF INDIA Mumbai, September 6

THE PANEL FORMED under chairman of the Central Electricity Authority (CEA) to explore prepaid payments by state discoms to independent power producers (IPPS) has suggested setting up an e-platform for discounting of bills on the lines of the system being used by MSMEs.

In February this year, the government had constituted a panel under the CEA to explore prepaid payments options by state electricity distribution companies, which are known for delayed payments, to power plants.

Following this, in June, the Union power ministry had mandated state-run discoms to offer letters of credit (LCs) against their power purchases as a payment security from August 1.

Since then most discoms have started issuing LCs.

The panel was headed by CEA chairman Prakash Mhaske had members from the Union power ministry, power producers and two state-run discoms.

Cash-starved state discoms, it can be noted that, owe over ₹51,000 crore in arrears to private sector power producers, leading to the over ₹3 lakh crore bad loans among 30 producers in the power sector, which are still awaiting resolu-

The arrears were close to ₹72,000 crore in December 2018.

The committee in its report, PTI has a copy of the same, has recommended creating an e-platform for discounting of bills for generation companies wherein commercial banks can act as financiers.

"This platform will be simi-

E.E. (Project-II), WZ

delayed payments already stuck with the discoms.

"The dues are to the tune of ₹51,000 crore. The government plans to direct discoms to issue LCs is a positive step, but what about the past dues. The government will have to take immediate steps in this regard," he told PTI.

LCs will be invoked if the discom defaults beyond the 4560-day grace period, as provided in the power purchase agreements.

The government has made it mandatory for power distribution licensees to open and maintain adequate letters of credit as a payment security mechanism under the power purchase agreements.

Under the proposed LC model, the national, regional and state load dispatch centres are directed to supply electricity only after they are informed by the producers and the discoms that an LC for the desired quantum of power has been opened and the copies of the same are made available to the generating company con-

The dispatch centres will be informed about the period and the quantity of power supply.
